

BBC OU Trailer 2017

Contributors in clip: David Attenborough, Ben Garrod, David Harewood

Clip transcript:

[music in background throughout]

David Attenborough:

All life on Earth now depends on us.

Narrator:

Don't just learn a subject...

Ben Garrod:

I'm off to meet Erica.

Erica:

Hello there. May I ask your name?

Narrator:

...experience it. There are now even more ways to get involved and watch the inspirational programmes made by the BBC and The Open University.

David Harewood:

It has quite literally brought humankind closer together.

Narrator:

The BBC in partnership with The Open University – bringing learning to life.
